

Hello Class of 2025,

PRESIDENT

This is Soo and Amanda running as 2025 Class Council's Co-Presidents for our incoming Senior Year! We had the honor to serve our amazing class for the past 3 years by planning fun, exciting events and we hope to continue this energy until our last day at Wellesley College. At our time here at Wellesley, we know that you all have built your own community and value different things unique to yourselves. We have **SO MANY EVENTS** in mind to ensure that all rising seniors have the opportunity to wrap up our last year with great memories such as memory scrapbooking and off-campus senior gala. If you would like to see these events come to life next year, please **VOTE FOR SOO & AMANDA AS CO-PRESIDENTS!** Thank you all for your consideration, support, and votes!

Best,

Soo and Amanda
